NARRATIVE:

Bodie Swann is a documented gang member and has an extensive adult criminal history that began at the age of 23. His convictions include lewd and lascivious acts upon a child under 14, possession of controlled substances in jail, false checks, and transport/sales of marijuana. He has served multiple state prison terms, the longest being a 3 year term for lewd and lascivious acts upon a child under 14. Swann was released from state prison to the supervision of the Los Angeles County Probation Department on July 10, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2015 after he absconded from post release community supervision (PRCS). Swann qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances in jail is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
